

To All Transportation Service Customers, Pool Operators and Suppliers:

The following posting documents the enrollment and nomination deadlines for all non-Energy Choice transportation contracts.

1. The deadline for the submission of transportation contract changes is 4:00 PM EST on the 10th of the month prior to flow.

If the 10th falls on a weekend or holiday, the deadline will be extended to 4:00 PM EST on the next business day.

A business day is any day from Monday through Friday, between the hours of 8:00 AM. to 5:00 PM. daily.

2. On or about the 25th of each month, East Ohio shall provide Supplier with a list of Customers scheduled to be served from Supplier's Pool for the upcoming month.
3. Supplier shall notify East Ohio of any changes to that list before the 1st of the upcoming month.

DEO will only adjust the list for the following reasons:

- Addition of customers where a proper enrollment was submitted prior to the deadline but was not properly added or displayed.
- Removal of customers where a proper drop request was submitted prior to the deadline but was not properly removed or displayed.

Failure to inform DEO in a timely manner will cause the customer to remain in the supplier's pool for the entire upcoming month and the applicable billing period.

4. Suppliers must nominate supply to all stand-alone General and Daily Transportation Service contracts and/or Pooling Service contracts prior to 12:30 PM EST on the business day before flow.

Please contact a transportation analyst if you have any questions regarding this posting.
