

No Increase Order

Due to limitations on Dominion East Ohio's ability to inject natural gas:

Effective Saturday, July 11, 2015 (gas day 11) through Tuesday, July 14, 2015 (gas day 14), Dominion East Ohio will not accept any nominations for gas flow increases for deliveries to our system from Dominion Transmission pipeline (ESCRIPT receipt meter ML001) relative to final nominations from Wednesday, July 8, 2015 (gas day 8).

For those who wish to make nomination increases to the DEO system for the above dates, DEO currently has available interconnect capacity at Tennessee Gas Pipeline Gilmore receipt point.

Additionally, DEO may extend the No-Increase Order, if necessary, based on future operating conditions.

If you have any questions regarding this matter, please contact the Transportation Services group at EOG_TRANS_SERV@dom.com.
Thank You.
