

***** OPERATIONAL ADVISORY *****

Based on its most recent weather forecast, Dominion East Ohio (DEO) currently projects that nominations to its Maumee receipt p Panhandle Eastern Pipeline may not be sufficient to meet anticipated customer requirements for Sunday, December 18, 2016 through 2016 (gas days 18 and 19).

DEO is posting this Operational Advisory to inform customers and suppliers that they may be required to adjust Maumee deliveries DEO's General Terms and Conditions of Transportation Service and provisions set forth in the Maumee Delivery Point Requirements DekafLOW on November 20, 2014. Suppliers can review the document at http://dekaflow.dom.com/jsp/info_post.jsp?&company=deo. Click on the left side of the page and then "Maumee Delivery Point Requirements".

DEO will be contacting shippers with gas scheduled to Maumee to determine whether they can increase supplies to that point and customers and suppliers of their currently estimated pro rata share of Maumee requirements for December 18-19, 2016. The information in DekafLOW, via the OFO screen, by 12:00 PM EST today. Click on the Point Specific tab to view the "advisory" requirement.

DEO will continue to post updated information regarding the status of Maumee deliveries and may adjust requirements based on updated information. Please note that a lack of voluntary compliance by customers and suppliers may result in the issuance of a receipt-point specific advisory.

Please contact the Transportation Services department at EOG_TRANS_SERV@dom.com with any questions.
