

OPERATIONAL ADVISORY: UNPLANNED MAINTENANCE

Due to unplanned maintenance on one of its transmission lines, Dominion Energy Ohio (DEO) is asking marketers and end-users to voluntarily reduce nominations at the receipt points listed below for today, Sunday, February 3, 2019 (gas day 3) and tomorrow, Monday, February 4, 2019 (gas day 4). Depending on the extent and duration of the maintenance, DEO may need to cut receipt nominations from these Receipt Points intra-day tomorrow, Monday, February 4, 2019 (gas day 4) as well as restricting nominations for Tuesday, February 5, 2019 (gas day 5) and beyond. Additional postings will be made as the maintenance progresses.

Operator Name	Location/Meter #
Texas Eastern	Clarington (74040)
Rockies Express	Clarington (44490)
EquiTrans Midstream	Monster Jam (L113)
EquiTrans Midstream	Snake Eyes (L267)
Eureka Midstream	Mullet (L193)
Blue Racer Midstream	Grum (L223)
Blue Racer Midstream	Lude (L064)
Blue Racer Midstream	Cravat Coal (L224)
Blue Racer Midstream	Price (L126)
Gulfport Irons	Irons (L088)
Dominion Energy Transmission (DETI)	20100

Should replacement supply be required, marketers and end-user may nominate supplies from the Nexus Gas Transmission (Meter # N1002), ANR Pipeline (Meter #108641), Panhandle Eastern (Meter #EOHIO) and Tennessee Gas Pipeline (TGP) via the Gilmore (Meter #420932) and/or Petersburg (Meter #420934) receipt points.

Should you have any questions, please email us at EOG_Trans_Serv@dominionenergy.com.

Thank you for your attention and cooperation on this matter.
