

The Operational Flow Order in effect for the West Ohio territory will be lifted effective Wednesday, May 27, 2020 (gas day 27).

Please contact the Transportation Services department at EOG_TRANS_SERV@dominionenergy.com with any questions.

Thank you.

Subject: LIFTED: Critical Day for Storage Injections, Effective Wednesday, May 27, 2020

Body:

Columbia Gas Transmission, LLC (TCO) shippers are advised that based on forecasted supplies and markets, TCO is hereby lifting the Critical Day for Storage Injections effective for Gas Day Wednesday, May 27, 2020. Although the Critical Day is lifted, TCO reserves the right to issue Critical Days as future conditions warrant.

Please contact your Customer Services Representative if you have any questions.
