

Dominion Energy Ohio (DEO) maintains an active listing of suppliers on its system and publishes this list to Dekaflo. The lists for both the East Ohio and West Ohio territories can be found under Info Postings, Contact List, Transport Partners.

Suppliers are reminded to review the contact information on the current listing and advise DEO of any necessary revisions. Suppliers can request a change to the information by sending an email to EOG_Trans_Serv@dominionenergy.com.

Thank you.
