Subject: LIFTED: Critical Day for Storage Injections, Effective Monday, September 14, 2020 Author: Tyler King

Notice Text

Columbia Gas Transmission, LLC (TCO) shippers are advised that based on forecasted supply and markets, TCO is hereby lifting the Critical Day for Storage Injections effective intraday for Gas Day Monday, September 14, 2020. Although the Critical Day is lifted, TCO reserves the right to issue Critical Days as future conditions warrant.

Please contact your Customer Services Representative if you have any questions.
