Subject: LIFTED: CRITICAL DAY for Storage Injections, Effective Tuesday, November 10, 2020

Body:

Columbia Gas Transmission, LLC (TCO) shippers are advised that based on forecasted supply and markets, TCO is hereby lifting the Critical Day for Storage Injections effective intraday for Gas Day Tuesday, November 10, 2020.

Although the Critical Day is lifted, TCO reserves the right to issue Critical Days as future conditions warrant.

Please contact your Customer Services Representative if you have any questions.
